EXAMINER'S COMMENT

This action is responsive to applicant amendment filed September 7, 2005. The amendment overcomes the rejection in the Office Action mailed June 8, 2005. Claims 1-26, 29-31, 33, 35 and 39-43 have been cancelled. Claims 27, 28, 32, 34, 36, 37, 38 and 44 are the only claims remaining. These remaining claims are now allowable.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The closest prior art of record fail to teach or suggest a suturing instrument having an elongate body with a longitudinal axis, a distal end and a distal tip having a depression therein; the distal tip further having a rotation pocket being engaged by the depression to allow for rotation of the distal tip about said axis and further having a needle deployment device disposed in the distal tip adapted to drive a needle out of the tip.

For these reasons, the claims are believed to allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary Jackson whose telephone number is (571) 272-4697. The examiner can normally be reached on Mon.-Thurs. 7:30 am to 6:00 p.m.
